

STAFF HEALTH AND SAFETY

GBE

The Board of Education shall require each new employee to have a physical examination. A tuberculin test may be required based on a recommendation from Marshfield Medical Center - Neillsville. If Marshfield Medical Center - Neillsville advises a chest x-ray, as a result of a positive TB test, the cost will be paid by the district. Employees must meet the physical requirements of their position to be employed.

All required health and safety training will be provided to all employees. Hepatitis B vaccinations will be available to all employees upon request.

A physician's certification of an employee's fitness to return to work after an illness may be required.

Initial Adoption: 6/17/19

Final Adoption: 7/22/19
