

The Board of Education is legally responsible for all matters relating to the operation of the school district. The responsibility for the selection of instructional materials, however, is delegated to the professionally-trained certified personnel of the district.

Selection of materials may involve instructional media specialists, principals, professional staff, students, administrators, and community members.

Specific selection procedures shall be developed for use in the district.

The school district shall not discriminate in the selection and evaluation of instructional and library materials on the basis of sex, race, religion, color, national origin, ancestry, creed, pregnancy, marital or parental status, sexual orientation or physical, mental, emotional or learning disability or handicap.
