

PHYSICAL EDUCATION CREDIT SUBSTITUTION

IGAF

Students may complete an additional one-half credit in English, social studies, mathematics, or science in lieu of one-half credit in physical education when they participate in a WIAA-sanctioned sport as part of the district's athletic program.

Courses eligible for substitution include any non-required course in English, social studies, mathematics or science. The one-half credit substitution must be beyond the minimum graduation requirements in these subject areas.

1. The student must participate in a junior varsity or varsity-level sport, beginning and ending the season in good standing.
2. The student must not be out for more than two weeks for injury or illness during the sport season, unless the injury or illness is validated by a medical professional.
3. The student must not have any athletic code violations resulting in a suspension of one or more competitions for the sport season.
4. The student must be an athlete eligible to compete throughout the duration of the season.
5. The student must complete the credit substitution course and be an eligible athlete the same year the waiver is granted.
