PARENT INFORMATION

Up-to-Date Immunizations are required by state law. Students are required to stay up-to-date on immunizations in order to avoid exclusion from school or sign a waiver provided by the school declining immunization. Please check with the doctor's office prior to the start of school to ask if any immunizations are due. If your child has received immunizations from out of state turn a copy in to the school health office prior to the first day of school.

IF YOUR CHILD HAS ANY OF THESE HEALTH CONDITIONS A WRITTEN EMERGENCY PLAN FROM THE PHYSICIAN IS REQUIRED YEARLY...

- * **AN ANAPHYLACTIC ALLERGY** (Requiring an epi-pen). Bring an epi-pen to the school health office prior to the first day of school. This is especially important for student safety on fieldtrips. There is no way to guarantee treats brought in by other students will not contain or be prepared with what your child is allergic to. Parents of children with food allergies are encouraged to bring in a bag/box of "safe treats" at the beginning of the year for their child to have on hand in the classroom to enjoy as a substitute for treats brought in by other students.
- * **A SERIOUS SEIZURE DISORDER** (Requiring emergency medication if they have a seizure) Bring rectal diastat/other medication to the school health office prior to the first day of school.
- * **INSULIN DEPENDENT DIABETES** Bring glucagon to the school health office prior to the first day of school with the written "Diabetes Medical Plan" from the doctor.
- * **ASTHMA**-Bring inhaler to the school health office prior to the first day of school.
- * Any other medical condition that may require emergency care.

PLEASE NOTE:

- * If your child is allergic to Tylenol, cough drops, hydrocortisone cream, Benadryl, mints, or peroxide a physician's note is required to be on file with the school health office.
- * Medications should not be sent to school with students for the safety of all students.
- * Medications at the school cannot be returned to students under the age of 18. Medications that are not needed at school must be picked up by a parent/legal guardian, except by discretion of the school health office.
- * Medications that are expired or not picked up within 30 days of being discontinued will be disposed of.
- * Parents are responsible for keeping track of quantity and expiration dates (including emergency medications).
- * Medications should be taken at home when possible. Medication needed 3 times per day (ie, antibiotics or eye drops) should be taken before school, after school and at bedtime.
- * Middle School/High School students may bring cough drops to school if they keep them in their locker or pocket and refrain from sharing them with other students.

STATE LAWS FOR MEDICATION IN SCHOOL ARE:

1. Medications must be in the original container from the pharmacy with the original label on it.
If requested, pharmacies will label 2 bottles for you, one for school and one for home.
2. The bottle must not be expired.
3. A written doctor's order must be on file in the school health office for prescription medication.
4. A written note from the parent must be on file in the school health office for all medications stating school staff has permission to give the medication to their child.
5. Medications must be kept locked.
6. Students with asthma may carry inhalers at school if there is a written doctor's order along with a parent note stating the student may "self-carry" the inhaler.
7. A student may carry their own epi-pen at school or school activities only if there is a Doctor's order and signed parent note stating the student should be allowed to "self-carry".

Our goal is to provide the safest and most effective medical care for your child in case of an emergency.
Thank you for your assistance. School Health Office. (715) 743-8753
