Term

Definition

Effective Date

Set by Clearinghouse's Research Center three times per year - Fall, Spring and Summer. The date will be noted in the Report File Name and within the StudentTracker application. The date is established to ensure that your StudentTracker reports provide the most comprehensive enrollment and degree data provided by the colleges and universities for a given period, and that all secondary education institutions are matched against the same set of post-secondary data. Reports generated in between effective dates will be processed against the most recent effective date, no new data will be reported.

High School Class (labeled by graduation year)

Includes all students who graduated high school between September 1 of the previous year and August 31 of the graduation calendar year.

Academic Year

Defined as any collegiate enrollment that occurs between August 15 of one year and August 14 of the following calendar year.

Institutional Level

Indicates the level of degree predominantly offered by the institution (i.e. two-year or four-year).

Institutional Type

Indicates whether the institution is controlled publically or by a private entity.

Institutional Location

Indicates if an institution is in-state or out-of-state based on the comparison between the states where the institution and the high school are located.

Demographic Packet

Academic Packet

A packet of reports for many of the same outcomes described above but stratified by the Demographic data elements you provided in your Diploma or Request file, if any. The Demographic data elements are: Gender, Ethnicity, Economic Disadvantage Indicator, Disability Indicator, English Language Learner.

A packet of reports for many of the same outcomes described above but stratified by the Academic data elements you provided in your Diploma or Request file, if any. The Academic data elements are: Math Assessment 8th grade and high school, English Assessment 8th grade and high school, Dual Enrollment Indicator and Number of Semester of Match completed.

*Revised in Spring 2016 to display the recent high school class even though the full time period has not elapsed

**Institutions that participate in the Clearinghouse represent more than 98% of the nation's two- and four-year postsecondary enrollment. Students who are enrolled in postsecondary institutions that do not participate in the Clearinghouse are not in the Clearinghouse database.
