Jostens Renaissance Lesson Plan Format

Log In Directions:

Log into your Jostens Renaissance account [HERE](#)

Once you are logged into your account, hover over the "Resources" tab at the top of the page and click on [Monthly Playbook](#) under the Getting Started column.

This webpage will have all of the lessons and videos month by month. You can also access the videos by directly clicking on the link provided in the [23-24 8th Hour Schedule](#) spreadsheet.

Lesson Plan Format:

- 1) Watch the video assigned for the month; each one is about 5 minutes.
- 2) Hand each student a copy of the Critical Thinking questions for the month; ask them to answer 3 of the 5 questions by writing a response on the back side of the paper. Each answer should be a minimum of 3 sentences. Give students 5-10 minutes to complete this task. *Student copies will be provided for advisors the Friday before the lesson.*
- 3) With the remaining time, discuss the Critical Thinking questions out loud as a group. Have students share their answers to the questions they answered. Please encourage participation from all students with each student chiming in at least once.
- 4) When complete, students in grades 9 & 10 should put their answers in their Academic Advising binders behind the Jostens Renaissance lessons tab. Students in grades 11 & 12 should turn in their answers to their Career advisor to be kept by the career advisor in a folder.
