

SCHOOL DISTRICT OF NEILLSVILLE

April 14, 2026

Dear Neillsville Families and Community Members,

As a district that bridges a rich history with an innovative future, we pride ourselves on being a place where every student feels a sense of belonging and every neighbor is invested in our success. Furthermore, as we look toward the future, we want to ensure that the Neillsville School District continues to be a place where every student thrives, grows, and prepares for a world of possibilities.

Today, I am thrilled to invite you to join us in a journey of transformation as we work towards the creation of our new strategic plan. Think of a strategic plan as our shared roadmap for the future. The strategic plan will help shape what we want a Neillsville education to look like five years from now. By setting our mission, vision and goals together, we can ensure our students succeed in a rapidly changing world.

During the strategic planning process we will be asking our community to share your voice in several manners. To begin, we are asking you to participate in our [surveys](#) that are open from April 18th to May 5th. With your feedback we will be asking ourselves big questions to drive our district's work for the upcoming years.

To get the answers right, we need your voice. Whether you are a parent, a local business owner, a student, or a longtime resident, your perspective is the spirit we need to build a vision that is authentic to Neillsville. Over the coming weeks we will have surveys and listening sessions to capture your voice for our future planning.

We aren't just planning for the next school year; we are building the foundation for the next generation. Let's dream big, work together, and define a future that makes us all proud to be a Warrior. If you have any questions regarding our strategic planning, please feel free to contact me at 715-743-3323 or coreypeterson@neillsvillek12.org.

With Warrior Pride,

Corey Peterson
Neillsville School District
