

FEBRUARY 21, 2019 -- "CONDENSED" ACP NIGHT --
All 6-11 Students/Parents are Welcome!

MEMO: As many of you are well aware, after canceling our ACP Night twice, we simply had to forgo the idea for this year and move ahead with our registration process for the 19-20 school year. That being said, in conjunction with our Parent Teacher Conferences, Thursday, Feb. 21, 2019, we will be holding a "condensed" version of our ACP night. We still have presenters/displays from four outside agencies as well as our own internal presentations. High school and middle school advisors will be available to chat with students/parents when they are not in previously scheduled conferences. We do hope to see many of you there!
