Academics

by Middle School Students

The 6th graders had two STAR tests, one in math and one in ELA. In Science, the students all gave presentations about Mars. Then, to connect the presentation content the students went to Star Lab with Mr. Abel.

The 7th graders recently started historical fiction book clubs in ELA. The 7th grade students celebrated World Read Aloud Day on February 5th by reading to students in the elementary. In Geography, the 7th grade students made slideshows on a South American Country. Each student got to present their slideshow to the class.

The 8th grade is working on an NHD project. This year the topic is breaking barriers. The students will have to do research on their topics, write a 5 paragraph essay, and complete a project.

Wrestling

On Friday, February 7th the Neillsville Middle School wrestling team competed against several schools for the conference title. Neillsville-Grantton-Loyal wrestlers placed 1st in the Eastern Cloverbelt Conference. Three wrestlers from the team earned individual first places.

Girl's Basketball

On Thursday, January 23rd the 7th-grade girls basketball team played at home against Spencer at 4:15. The 7th-grade girls won with a score of 27-20. Some highlights of the game were that the first quarter was a full shut out. There were also many turnovers by the Spencer Rockets.

Hockey

On Sunday, January 12th the Black River Tigers played the Wausau Warjacks. The Tigers ended up beating the Warjacks 8-2.
